

Curriculum Vitae

Gizem Hülür

– June 2024 –

Contact information:

University of Bonn
Department of Psychology
Kaiser-Karl-Ring 9
53111 Bonn
ghueluer@uni-bonn.de

Current position:

Professor of Developmental and Educational Psychology at the University of Bonn, Germany

Education:

- 10/2011 Dr. rer. nat. (equivalent to PhD) in Psychology at the Humboldt University, Berlin, Germany
- 03/2008 Dipl. Psych. (equivalent to M.Sc.) in Psychology at the Humboldt University, Berlin, Germany
- 2003 – 2008 Psychology studies, Humboldt University, Berlin, Germany

Professional experience:

- Since 08/21 **Professor**, Department of Psychology, University of Bonn, Germany
- 2019–2021 **Assistant professor**, School of Aging Studies, University of South Florida
- 2016–2019 **Assistant professor**, Department of Psychology and University Research Priority Program “Dynamics of Healthy Aging”, University of Zurich, Switzerland
- 2016–2019 **Faculty member**, International Max Planck Research School on the LIFE Course (LIFE), University of Zurich, Switzerland

- 08–09/2018 **Research visit** at the Department of Psychology, University of Texas at Austin
- 2011–2016 **Research scientist** at the Department of Psychology (Developmental Psychology) at the Humboldt University, Berlin, Germany
- 04– 08/2011 **Research scientist** at the Department of Psychology (Individual Differences and Psychological Assessment) at the Ulm University, Germany
- 2008–2011 **Pre-doctoral research fellow** at the International Max Planck Research School LIFE, Max Planck Institute for Human Development, Berlin, Germany
- 2006–2008 **Research assistant** at the Institute for Educational Progress (IQB) at the Humboldt University, Berlin, Germany
- 2006 **Research assistant** at the Department of Psychology (Psychological Assessment) at the Humboldt University, Berlin, Germany

Publications:

*graduate student or post-doctoral mentee

Peer-reviewed journal articles

Haley, University of South Florida
- 2018-2020 “Digitalization and the Social Lives of Older Adults”, **Swiss National Science Foundation (SNSF)**, Sum (direct costs): 214'539 CHF (ca. 225'000 Euro), Project duration: December 2018 – November 2020 (24 months), Role: Sole principal investigator

- 2018-2019 “A Metacognitive Calibration Intervention to Enhance Learning in Post-Secondary Education”, **Association for Psychological Science (APS)**, Sum: 14’000 USD (ca. 15’000 Euro), Role: Principal investigator, Co-PI: Samuel D. Gosling, University of Texas at Austin
- 05/2019 **Swiss Academy of Humanities and Social Sciences**, Travel funds, IAGG Gerontology and Geriatrics European Region Congress, Gothenburg, Sweden
- 07/2017 **Swiss Academy of Humanities and Social Sciences**, Travel funds, IAGG World Congress of Gerontology and Geriatrics, San Francisco, CA
- 11/2013 **German Academic Exchange Service**, Travel funds, 2013 Annual Meeting of the Gerontological Society of America, New Orleans, LA
- 11/2012 **German Academic Exchange Service**, Travel funds, 2012 Annual Meeting of the Gerontological Society of America, San Diego, CA

Awards:

- 2024 **Fellow** of the Gerontological Society of America
- 2018 **Outstanding Alumni Award**, International Max Planck Research School on the Life Course (LIFE), a joint international PhD Program of the Max Planck Institute for Human Development (Berlin, Germany), the Freie Universität Berlin (Germany), the Humboldt-Universität zu Berlin (Germany), the University of Michigan, the University of Virginia, and the University of Zurich (Switzerland)
- 2008 – 2011 **Pre-doctoral fellowship**, International Max Planck Research School on the Life Course (LIFE), Max Planck Institute for Human Development, Berlin, Germany
- 10/2010 **Poster award**, International Conference on Aging and Cognition, Dortmund, Germany

Presentations at international conferences (only first-authored & in the last 5 years):

*graduate student or postdoctoral mentee

Hülür, G., Willis, S. L., Schaie, K. W., & Gerstorf, D. (2023, November). Perceived neighborhood characteristics and cognitive aging: Findings from the Seattle Longitudinal Study. Annual Meeting of the Gerontological Society of America, Tampa, FL, USA.

Hülür, G., *Elayoubi, J., Nelson, M. E., & Haley, W. E. (2022, April). Change in episodic memory with spousal loss: The role of social relationships. Cognitive Aging Conference, Atlanta, GA, USA.

Hülür, G., *Macdonald, B., & Luo, M. (2021, November). Daily social interactions and well-being in older adults: The role of interaction modality. Annual Meeting of the Gerontological Society of America, online due to COVID-19.

Hülür, G., Siebert, J. S., & Wahl, H.-W. (2020, November). The role of midlife occupational factors for trajectories of cognitive change. Annual Meeting of the Gerontological Society of America, online due to COVID-19.

Hülür, G., Ram, N., Willis, S. L., Schaie, K. W., & Gerstorf, D. (2019, November). Cohort differences in cognitive aging: The role of work experiences. Annual Meeting of the Gerontological Society of America, Austin, TX.

Hülür, G. (2019, May). Discussant in the symposium “Associations between real-life cognitive processes and well-being of healthy older adults”. International Association of Gerontology and Geriatrics European Region Congress, Gothenburg, Sweden.

Hülür, G., & *Castano, C. (2019, May). Cohort differences in relationship functioning. Evidence from three population-based European studies. International Association of Gerontology and Geriatrics European Region Congress, Gothenburg, Sweden.

Hülür, G., Wolf, H., Riese, F., & Theill, N. (2019, April). Cognitive change at the end of life in nursing home residents: Differential trajectories of terminal decline. International Conference on Aging and Cognition, Zurich, Switzerland.

Invited presentations:

Hülür, G. (2023, October). Individual differences in lifespan development: From long-term trajectories to short-term dynamics. Colloquium of the PSITEC lab, University of Lille, France.

Hülür, G. (2022, May). Research colloquium of the Institute for Psychogerontology and Institute for Biomedicine of Aging, University of Erlangen-Nuremberg, Germany.

Hülür, G. (2021, March). Meeting of the Cognition, Neuroscience, and Social Psychology group, University of South Florida.

Hülür, G. (2020, January). Studies of longitudinal co-development in (older) couples. Dyadic Dynamics Research Network, University of Zurich, Switzerland.

Hülür, G. (2019, November). Meeting of the Quantitative Developmental Systems group, Social Science Research Institute, Pennsylvania State University.

Hülür, G., Siebert, J. S., & Wahl, H.-W. (2019, June). The role of education and work environment in cognitive aging: Findings from the Interdisciplinary Longitudinal Study of Adult Development and Aging (ILSE). Department of Psychology, Carl von Ossietzky University of Oldenburg, Germany.

Hülür, G. (2018, November). Big data and psychological research. Institute for Biomedical Ethics, University of Basel, Switzerland.

Hülür, G. (2018, September). Individual differences in lifespan development: From long-term trajectories to short-term dynamics. Social and Personality Area Meeting, University of Texas at Austin.

Hülür, G. (2016, October). Individual differences in lifespan development: From long-term trajectories to short-term dynamics. Freiburg Institute of Advanced Studies (FRIAS), University of Freiburg, Germany.

Hülür, G., & Wilhelm, O. (2016, October). An intensive longitudinal study on the development of student achievement over two years (LUISE). COGITO Conference, Max Planck Institute for Human Development, Berlin, Germany.

Hülür, G., & Wilhelm, O. (2010, July). Changes in mathematics achievement. The University of Adelaide, Australia.

Hülür, G., & Wilhelm, O. (2009, July). Inter- and intraindividual variability in cognitive abilities and student achievement. Educational Testing Service, Princeton, NJ.

Convener of symposia at international conferences:

*graduate student or postdoctoral mentee

Hülür, G. & Nakagawa, T. (2023, November). The role of contextual factors in adult development and aging. Annual Meeting of the Gerontological Society of America, Tampa, FL.

*Hartung, J., & **Hülür, G.** (2022, July). Personality development in romantic, work, and intervention contexts. European Conference on Personality, Madrid, Spain.

Hülür, G. (2020, November). Contemporary approaches to the study of cognitive aging. Annual Meeting of the Gerontological Society of America, online due to COVID-19.

Hülür, G. (2019, November). The role of work and retirement in cognitive and brain aging. Annual Meeting of the Gerontological Society of America, Austin, TX.

Hülür, G. (2018, November). New developments in research on cognitive aging. Annual Meeting of the Gerontological Society of America, Boston, MA.

Hülür, G., & Gerstorf, D. (2016, November). Individual development at the end of life: Predictors of mortality and terminal decline. Annual Meeting of the Gerontological Society of America, New Orleans, LA.

Hülür, G., & Gerstorf, D. (2015, November). Individual development is shaped by historical contexts: Cohort differences in the second half of life. Annual Meeting of the Gerontological Society of America, Orlando, FL.

Hülür, G., & Gerstorf, D. (2014, November). Contemporary approaches to study cognitive development in the second half of life. Annual Meeting of the Gerontological Society of America, Washington D.C.

Hülür, G., & Gerstorf, D. (2013, November). Subjective memory complaints: Nature, correlates, and consequences. Annual Meeting of the Gerontological Society of America, New Orleans, LA.

Hülür, G., & Gerstorf, D. (2012, November). Developmental associations between short-term variability and long-term changes. Annual Meeting of the Gerontological Society of America, San Diego, CA.

Teaching:

Summer Semester 2024: Educational Psychology (B.Sc. level), Individual Development across the Lifespan (M.Sc. level), Colloquium Developmental and Educational Psychology

Winter Semester 2023/24: Current Topics in Developmental Psychology (M.Sc. level), Current Topics in Educational Psychology (M.Sc. level), Colloquium Developmental and Educational Psychology

Summer Semester 2022: Educational Psychology (B.Sc. level), Individual Development across the Lifespan (M.Sc. level), Colloquium Developmental and Educational Psychology

Winter Semester 2022/23: Current Topics in Developmental Psychology (M.Sc. level), Current Topics in Educational Psychology (M.Sc. level), Colloquium Developmental and Educational Psychology

Summer Semester 2022: Educational Psychology (B.Sc. level), Individual Development across the Lifespan (M.Sc. level), Colloquium Developmental and Educational Psychology

Winter Semester 2021/22: Cognitive Plasticity and Learning across the Lifespan (B.Sc. level), Current Topics of Developmental Psychology (M.Sc. level), Colloquium Developmental and Educational Psychology

Spring Semester 2021: Psychology of Aging, undergraduate level [online]

Fall Semester 2020: Psychology of Aging, undergraduate level [online], The Life Cycle, undergraduate level [online]

Spring Semester 2020: PhD seminar in Aging and Cognition

Fall Semester 2019: Psychology of Aging, undergraduate level

Spring Semester 2019: Longitudinal Research Methods, MSc level, Cognition and Affect in Daily Life, MSc level

Fall Semester 2018: Cognitive Development across the Lifespan, BSc level

Spring Semester 2018: Longitudinal Research Methods, MSc level

Fall Semester 2017: Introduction to Longitudinal Research, MSc level

Spring Semester 2017: Longitudinal Research Methods, MSc level

Summer Semester 2016: Cognitive Plasticity across the Lifespan, BSc level, Emotion across the Lifespan, BSc level, Project Presentations (International Max Planck Research School LIFE), PhD level

Winter Semester 2015/16: Cognitive Plasticity across the Lifespan, BSc level, Emotion across the Lifespan, BSc level

Summer Semester 2015: Cognitive Plasticity across the Lifespan, BSc level, Emotion across the Lifespan, BSc level

Winter Semester 2014/15: Intelligence across the Lifespan, BSc level

Winter Semester 2013/14: Educational Psychology (lecture) BSc level, Developmental and Educational Psychology (tutorial) BSc level, Developmental and Educational Psychology (colloquium), MSc and PhD level

Summer Semester 2013: Emotion across the Lifespan BSc level, Project Presentations (International Max Planck Research School LIFE) PhD level

Winter Semester 2012/13: Cognitive Plasticity across the Lifespan, BSc level, Personality across the Lifespan, BSc level, Intelligence across the Lifespan, BSc level

Summer Semester 2012: Cognitive Aging, BSc level

Winter Semester 2011/12: Cognitive Plasticity across the Lifespan, BSc level, Intelligence across the Lifespan BSc level

Summer Semester 2011: Individual Differences: Intelligence, BSc level

Supervision of student theses:

Ongoing PhD thesis

University of Bonn: Carlotta Grünjes, Beyza Sönmez

University of South Florida: Joanne Elayoubi, Rio Tate

Completed PhD thesis

University of South Florida: Kallol Kumar Bhattacharyya

University of Zurich: Elisa Weber (Winner of the 2023 Baltes dissertation award of the German Psychological Association, subdivision Developmental Psychology)

Completed MSc thesis

University of Bonn: Laura Blömker, Lea Hurtenbach, Malou Jabbusch, Nathalie Kevekordes, Zoe Lautz, Ina Lembeck, Gilda Masala, Finn Merten, Hanna Moteka, Sascha Spörle, Nele Theuer

University of Zurich: Chiara Castano

Humboldt University: Nany Hartmann, Lou-Marie Haux, Liuba Ivlicheva, Farina Seemann, Jan-Hendrik Wirtz

Completed BSc thesis

University of Bonn: Miro Armati Lechner, Kaila Borgards, Finn Fischer, Jana Kretschmer, Maya Lehmann, Silvia Melzer, Katharina Riggers, Ina von Ehren, Anne Wiemers, Tim Werner

University of Zurich: Bettina Baldegger, Rahel Brack, Gina Bründler, Julienne Buess, Diana Grujic, Reto Horat, G r me H sser, Michaela Nunes Graber, Jasmin St ckli, Jana Maira Studer

Humboldt University: Maximilian Haas, Johanna Haupt, Annick Sauer, Dilan Saydan, Andreas Sommer, Nicolle Tesch
